

December Newsletter
Miss Leigh, Miss Sue & Miss Alicia

Dear Parents,

We hope everyone had a wonderful Thanksgiving! Ready or not, here comes December...busy schedules, holiday shopping, special events, and colder weather. We have a busy month ahead of us, over the next few weeks our units include: Holidays Around the World, Cookies, Candies & Holiday Shapes and Christmas Countdown. We will be learning about a variety of holiday traditions and cultural celebrations. We will continue on with our ABC's and introduce letters Ii, Jj, and Kk., and the numbers 6, 7 and 8. Please continue to encourage your child to keep writing anytime they can, they have shown so much growth already!

Please keep the colder weather in mind when sending your child to school. It is a good idea to keep hats and mittens in backpacks, just in case. We want to thank all the parents for volunteering their time, both in the classroom and sending in snacks. We are blessed to have wonderful parent support. Together we are building bright futures and creative boys and girls.

From our hearts and homes to yours, we wish each of you the happiest of Holidays, good health and a bright New Year!
